

Share the Journey ☼
#sharejourney

On Wednesday, Sept. 27, Pope Francis will launch Caritas' global "Share the Journey" campaign to increase support and solidarity for immigrants and refugees. This campaign provides opportunities for parishioners and ministries to live the teachings of Christ by encouraging a culture of welcome in our region. We hope that you and your parishes will assist the San Diego Catholic Diocese in promoting this initiative within your networks and leadership teams by posting a picture with open arms that includes the **#ShareJourney** hashtag on your social media on **Sept. 27** as a virtual launch of the campaign. The post should include a brief personal story or comment to support the people that "journeyed" to our region. The Diocesan area is home to nearly 730,000 foreign-born residents. We want to show that the dignity of migrants and refugees is more important than political affiliation or personal bias, serving as a model to the nation. For more information, please refer to the campaign [website](#) and [toolkit](#).

Sample Picture

Below are sample posts and prompts that can be used when posting the hashtag #ShareJourney on social media. Thank you!

SOCIAL MEDIA PROMPTS

1. Why did you, your family member(s), or ancestor migrate to the United States?
2. What difficulties did you go through to be here?
3. What are you thankful to the United States for?
4. What do you want to achieve in this country?
5. How do you welcome migrants and refugees?
