

A HEALTHY DOSE OF REALITY

Let's Talk about Addiction Prevention and Solutions

National experts lead community discussion about addressing alcohol and drug addiction

Prescription medications, alcohol, marijuana, heroin and other drugs: our community knows firsthand the problems caused by dangerous substances. From youth to older adults, law enforcement to social services, health care to the workplace, all of us have a stake in how to deal with substance use and addiction.

Join local and national experts for an empowering conversation about what we can do here in San Diego to tackle the addiction crisis in our neighborhoods and schools.
